THE SPREAD OF COMMUNISM AND CONTAINMENT

Throughout the Cold War, the main goal of the U.S. was to stop the spread of communism. How well did we do? This activity serves as a report card on the success of containment efforts.

Use text pages: A4 & A5, A14 & A15, 605, 613, 625, 688, 733

PART I - MAP WORK

1. Color RED and label the country where communism began.
   U.S.S.R. (Soviet Union)

2. Color PINK and label the “Iron Curtain” countries that fell under Communism after WW II.
   East Germany
   Hungary
   Poland
   Yugoslavia
   Romania
   Czechoslovakia
   Bulgaria
   Albania

3. Color PINK and label countries in Asia that fell under Communism by 1959.
   North Korea
   China
   North Vietnam

4. Color PINK and label the first Communist led country in the Western Hemisphere.
   Cuba

5. Color BLUE and label the countries threatened by Communism from 1946-1959, but where the U.S. containment policy worked.
   Turkey
   Lebanon
   Cambodia
   Greece
   Saudi Arabia
   Iran
   South Korea
   Laos
   Guatemala
   Jordan
   South Vietnam

PART II - Name the PLACE discussed:

6. Following a Soviet blockade in 1945, British and American planes transported food and supplies into this city inside East Germany. (p. 607)

7. Communists took over this Asian country in 1949 by driving out Nationalist forces. (p. 610)

8. The Nationalist forces were driven from the mainland to this island where they set up a democratic government. (p. 610)

9. U.S. troops helped fight a war against the spread of Communism in this divided country from 1950-1953. (p. 612)

10. The U.S. CIA worked to return the Sha to power in this nation to strengthen its weakened economy and prevent the government from turning to the Soviets for help. (p. 624)

11. U.S. CIA efforts in this Central American country prevented communism, but helped create a military dictatorship. (p. 624)

12. An anti-communist revolution in this eastern European country was met with a swift and brutal response by the Soviets. (p. 625)

13. After French colonial forces were driven out of this country, the Geneva Accords of 1954 temporarily divided this country into 2 parts, a communist North and a noncommunist South. (p. 732-733)

14. U.S. concerns heightened in 1959 as Communism came to this island nation just 90 miles from the coast of Florida. (p. 673)
